CAUTION: Do not attempt to move the bed when fully assembled. This could result in damage to the rails, headboard or footboard.

WARNING: To avoid serious personal injury

- * Carefully and strictly follow assembly instructions. Improper assembly of furniture can result in structural failure, instability of the product, or tip-over.
- * Monitor and carefully control the assembly components. These include small parts and hardware that may present a choking hazard to small children.
- * Where provided, wall mounting hardware should always be used as prescribed in these instructions to anchor furniture to walls. Proper use of the wall mounting hardware can significantly reduce the potential for furniture tip-over and crushing injuries.
