SKU # 2023046001

⚠ WARNING: To avoid serious personal injury:

- Carefully and strictly follow assembly instructions. Improper assembly of furniture can result in structural failure, instability of the product, or tip-over.
- Monitor and carefully control the assembly components. These include small parts and hardware that may present a choking hazard to small children. Bob's furniture should be assembled only by responsible adults and children should not be involved in the assembly process.
- Where provided, wall mounting hardware should always be used as prescribed in these instructions to anchor furniture to wall. Proper use of the wall mounting hardware can significantly reduce the potential for furniture tip-over and crushing injuries.

SELECT THE LAYOUT OF THE BENCH

This item reversible and can be installed either with the large bench at your left hand side (left side installation) or with the large bench at your right hand side (right side installation).

THIS INSTRUCTION IS MADE FOR RIGHT HAND INSTALLATION.

If you select the left hand installation then you have to switch all the parts located at right part (10, 11, 12, 13, 14 and 15) to left part and the parts located at left part (03, 04, 05, 06, 07 and 08) to right part.

Attention: outside legs 01 and 09 plus central pieces (02, 16, 17, 18, 19, 20, 21, 22, 23 and 24) remain unchanged.

RIGHT SIDE INSTALLATION

LEFT SIDE INSTALLATION

Note: Before starting the assembly process, all parts should be separated according to the item they belong to. For better identification of all parts, please use part identification list on page 4 for the corner bench and refer to the instructions present on box "B" to find the table and bench part identification lists: page 3 for the table and page 9 for the simple bench.
