3.0 Instruction

Assembly Instruction

Cautions:

1. Keep children and pets away while setting up the product.
2. Product should be placed on a flat ground, and 2 persons recommended for the assembly.
3. For safe use, a proper umbrella base (not delivered) is needed and a total weight of min. 30kg.
4. Do not use the umbrella in winds or rain! The umbrella should be dismantled in case a wind force of 4 on the Beaufort scale or higher.
5. It's intended to be used as sunshade and not as rain and wind protection.

WARNING: To avoid serious personal injury:

- Carefully and strictly follow assembly instructions. Improper assembly of furniture can result in structural failure, instability of the product, or tip-over.
- Monitor and carefully control the assembly components. These include small parts and hardware that may present a choking hazard to small children. Bob's furniture should be assembled only by responsible adults and children should not be involved in the assembly process.
- Where provided, wall mounting hardware should always be used as prescribed in these instructions to anchor furniture to walls. Proper use of the wall mounting hardware can significantly reduce the potential for furniture tip-over and crushing injuries.
